Rheinbrücke sets up India facility

Chennai, July 30

German IT consulting company Rheinbrücke has opened its first overseas service development and delivery centre in Chennai to cater to growing business of its clients in Europe and West Asia. The 15,000 sq. ft facility capable of accommodating 450 employees was inaugurated on Wednesday. The company has started with 70 employees, but the headcount will be raised to 100 by this year-end, and doubled every year for the next five years, says Kumar Mallampalli, Executive Director at the wholly-owned Indian subsidiary Rheinbrücke IT Consulting Pvt Ltd. RheinBrücke opens India centre in Chennai

CHENNAI: Europe-based RheinBrücke IT Consulting, on Wednesday, launched its India development centre in Chennai. Spread over 15,000 sq. ft., the facility includes the Epicor migration and upgrade factory will employ about 70 people comprising ERP and IT consultants, engineers and developers. The company plans to increase the head count to 100 by the end of the year, while it aims to double the number of employees every year, over the next five years. The centre will provide a full spectrum of ERP and IT development services aligned to client needs. — Special Correspondent
